BSSA Introduction To Firearms Safety Class

Cost: \$59.00

Length of Class: 4-Hours

www.brickstreetsafetyacademy.com

Course Description:

Who is this class for?

- Those who are not yet ready for a CPL or CCW.
- Individuals who have no experience with firearms.
- Individuals who are nervous about handling and carrying a firearm.
- Those with questions and concerns.
- Those who would like to obtain more knowledge about firearms.
- Men, Women and Seniors.

BSSA Introduction To Firearms Safety Class will take you step by step through very basic information regarding firearms. Students will gradually work through several skill sets to ease any fears or nervousness handling a firearm.

This course is divided into two parts. You'll learn the basics of firearms in a classroom setting and also participate in hands on firearm safety training.

Although this class is basic, it is very intensive and informative. You will not leave away uninformed or unprepared.

The goal at completion of this class is to instill helpful firearm knowledge, ease tensions, fear and nervousness of firearms and lastly, prepare our students for the next step if they so desire to take our CPL/CCW class. Visit our website for more information.
